Hello, my name is \_\_\_\_\_ . I am an athlete of CHAWP water polo club, a 501 (C) non-profit, tax-exempt organization. I have been invited to travel with my team to the Hungary to train internationally. Our CHAWP teams not only compete for national championships, but the goal of the club is to also build character, develop responsibility and prepare CHAWP athletes to become model citizens.

We will be departing Late March and returning early April The cost of the trip is estimated at \$3000.00 that includes air, ground transportation, room and board as well as pool time and coaching.

We have a training schedule that includes watching professional water polo as well as games against local clubs.

Donations made to CHAWP Water Polo Club in my name will go directly to offset the cost of my trip. Your donation is tax deductible.
